## JOIN US ON STAGE!

Ever dreamt about dancing in a touring Irish dance show? Let's make the dream come true! During each of the six shows in England, *Celtic Throne* will invite Irish dancers to perform with our live musicians during the first half of the show. The performance is short—**10-12 eight-counts of a reel danced at 116 bpm.**

This opportunity is open to all dancers and dance schools. To participate, dancers should **submit a video** of their performance to [groups@celticthrone.com](mailto:groups@celticthrone.com) by **Sunday, June 1.**

We will review the videos, select the dancers for each show, and reach out to arrange a short rehearsal on show day. Dancers should plan to arrive at the theatre by 5:30pm the day of the show and supply their own CT-approved costumes.

To secure the discount and reserve tickets for groups,  
e-mail [groups@celticthrone.com](mailto:groups@celticthrone.com) or call 07-47937-9480.
